

## **All Property Tax Abolition Strategy (rev. 1):**

The following information is the result of questions raised at the Truth Seekers Meeting last night in Austin at IHOP. This was a valuable meeting.

### ***Rules for the Special Session:***

<http://www.kvue.com/news/politics/rules-of-a-texas-legislature-special-session/446659068>

"The legislative process will work the same during a special session. Lawmakers file bills, the bills are assigned to committees, are the subject of public hearings and if they're voted out, go to the full House or Senate for a vote. Once a bill is passed, it's sent to the other chamber where the process starts over."

### ***Or:***

1. Lawmakers file Bills;
2. Bills are assigned to Committees;
3. Committees hold public hearings;
4. If voted out of Committee go to Full House or Senate Floor for a vote;
5. Once Bill is passed, sent to the other chamber where the process starts over.

All of this has a time limit of 30 days. the following 20 items are too much to handle in such a format:

### ***The special session agenda items:***

1. Sunset legislation
2. Teacher pay increase of \$1,000
3. Administrative flexibility in teacher hiring and retention practices
4. **School finance reform commission**
5. School choice for special needs students
6. **Property tax reform**
7. **Caps on state and local spending**
8. Preventing cities from regulating what property owners do with trees on private land
9. Preventing local governments from changing rules midway through construction projects
10. Speeding up local government permitting process
11. Municipal annexation reform
12. Texting while driving preemption
13. Privacy
14. Prohibition of taxpayer dollars to collect union dues

15. Prohibition of taxpayer funding for abortion providers
16. Pro-life insurance reform
17. Strengthening abortion reporting requirements when health complications arise
18. Strengthening patient protections relating to do-not-resuscitate orders
19. Cracking down on mail-in ballot fraud
20. Extending maternal mortality task force

**Our Present Weakness:**

1. My previous statement that "We have **no Representative or Senator to sponsor a bill** to Abolish all ad valorem property taxes or to Prevent all future state liens upon the property of the people" is now altered. A title could be State Enforcement of the People's Allodial Unalienable Property Titles.
  - 1.1. **Thanks to an email from my friend, Mike Palma**, with this link: <https://communityimpact.com/houston/tomball-magnolia/at-the-capitol/2017/01/24/rep-valoree-swanson-files-bill-abolish-property-taxes/> he has enlightened me to the fact that we have reps who are friendly to our cause. Texas Republican Representative (Dist. 150) of Spring, Valoree Swanson, authored and filed House Bill 1050 in the first two weeks of the regular session for the abolition of all property taxation in five years by 2022 in the regular session that was co sponsored by five others. We now have friends at the Capitol:
    - 1.1.1. **Valoree Swanson**, Dist 150 Spring above Houston next to Tomball, Cap. off: E2.802 Cap ph: 512/463-0572 fax: 5112/463-1908
    - 1.1.2. **Kyle Biedermann**, House Dist 73 Fredericksburg, TX Capitol office: EXT E1.412 Capitol phone 512/463-0325
    - 1.1.3. **Briscoe Cain**, Dist 128 Cap. office: E1.418 cap phone: 512/463-0733 fax: 512/ 463-1323. Part of Harris Co. including the southern Pasadena, Texas.
    - 1.1.4. **Jonathan Strickland**, Dist 92, Bedford, TX, Cap. off: E1.404 Cap. Ph. 512/463-0522 fax: 512/463-9529
    - 1.1.5. **Tony Tinderholt**, Dist. 94, Arlington, TX, Cap. off: E1.422 Cap. Ph. 512/463-0624 fax: 512/463-8386.
    - 1.1.6. **James White**, Dist 19 Woodville, TX, Tyler TX above Beaumont TX Cap. off: GN.12 Cap ph: 512/463-0490 fax: 512/463-9059

2. We **don't have an organized body of people** to obtain a Legislator or **to push for its passage** but we do have people working on this as can be seen already.

***What we do have:***

1. **We have the truth** that ad valorem property taxation is unlawful and tyrannical and in direct opposition to the purpose of America and the applicable common law of every state in the union.
2. **We have some public support** to abolish all property taxation. At least one bus in coming from Brazoria County with at least 25 people on it. And we have ourselves in Truth Seekers which is about 10 maybe that could show up on the 18th.
3. **We have 2,500 copies** of a beautiful four page color concise, compelling, and irrefutable **proof that property tax is feudal**, tyrannical and unlawful in Texas.
4. **We can make signs** that direct everyone to Avery's proof that property tax is feudal and civil tyranny.
5. **We can speak outside on the capitol grounds.**
6. **We can educate all Congressmen by handing out our brochures to every one of them** and anyone else coming and going on Opening Day of the Special Session Tuesday, July 18, 2017. This I think is still the best day to be there. This is Orientation day and we will be there at our strongest.
7. **We can find and Request our own Congressmen to sponsor a bill related to the agenda item 4, 6 and 7 above** that all call for abolition of property tax which alienates our unalienable property.
8. Most of these issues on the 20 item agenda will not see the light in only 30 days but property tax reform and school finance and spending caps are always big items and we are loaded for bear on that!
9. **Avery can draft a request letter and bill form** as a model to be sent to Legislators that can be adapted to fit your own.
10. **Our information is hot and current** as it is in the Supreme Court at the same time which makes it more interesting to Legislators and the public as well. I have until July 24 to file my Motion for Rehearing which will be hard hitting as well. They must allow 10 days before they can rule on it. But it really doesn't matter too much what the Supreme Court does because I won the case and they all know it. They just don't have the guts to rule properly in the case. The Supreme Court also needs public support against the most powerful forces on earth, the banksters.
11. **We can try to visit our own Legislators** in the capitol but that might be difficult. And present them with our request letter and bill form and fantastic brochure.
12. **But Tuesday the 18th is still the best day** to be there if you can only make one day. But we should **be ready to make additional days when our agenda items hold public hearings**. Our agenda for the 18th will

change as we learn more about how it will shape up that day. There is currently nothing on the Legislator website as would be expected. We will have to watch as the day progresses what happens and how fast.

13. We are coming from behind but we have something going for us. **We are not totally unprepared.** I will have the request letters and bill forms ready by Sunday and will email them to everyone. **Once again thanks to Mike Palma's email** we have a link to the two page HB 1050 authored by Swanson:

<http://www.capitol.state.tx.us/tlodocs/85R/billtext/pdf/HB01050I.pdf#navpanes=0>

14. We can also stir up more public support by directing our local neighbors and businesses to our documents online at:

- a. Main website: <http://SueIT.org/avgcad.html>
- b. brochure: <http://SueIT.org/special-session.pdf>
- c. our agenda for the 18th: <http://SueIT.org/protest-agenda.pdf>
- d. slide show on property tax in general: <http://sueit.org/ad-valorem-property-tax-1.pps>
- e. slide show on my case: <http://sueit.org/avgcad-2.pps>

15. **We have the truth and they don't and it is in our favor. Let's stand on it!**

16. **THIS IS PROGRESS AND I'M PUMPED!**

Sincerely,

Ronald F. Avery
